

## *August 2016 Survey Results:*

On August 7th, our Green Party National Convention passed policy resolution [G16-P006](#), to support some principles of the Boycott, Divestment and Sanctions (BDS) of Israel movement.

**Question 1:** What do you think about this decision? Which answer best applies to you?

I think this resolution is acceptable as-is. **27.9%**

I think this resolution should be repealed. **44.0%**

I think this resolution should be made more general or applied more broadly (e.g. not tied to one actor or movement). **28.1%**

Total respondents: **2,856**

Response rate: **19.3%**
